## **Project Description**

### Principal's Priority

2

We propose the purchase of electric heavy-duty pencil sharpeners for classrooms. Eighteen classroom teachers with 20-30 students per class means lots of pencil sharpening. Student writing takes lots of practice and the use of these sharpeners would enhance our writing program.

#### **Benefits if Project is Funded**

Students and teachers will spend less time sharpening pencils.

#### **Impacts if Project is not Funded**

Otherwise, the mechanical sharpeners are noisy and take more time and effort.
